

Peace and Earth Meeting Report

June 20, 2010

Present: Susan, Kitti, Pat

We have \$269.00 that we did not spend in past years, in our “transfer” funds. We decided to send this as a donation to Riverlink. These funds will be matched by another donation to Riverlink.

We got a nice letter from Pisgah Legal Services thanking us for our contribution. They offered to send a speaker to us about their services. Kitti will contact spiritual enrichment to schedule Pisgah Legal Services on our calendar in the fall.

We also got a nice letter from Manna Food Bank thanking us for our contribution. They also have a matching fund drive right now. It was proposed that we give \$50.00 to them at this time under general outreach funds for 2010. Pat will clarify how much money is in general outreach funds.

Pritchard Park breakfast is July 18, 2010. We discussed arrangements for this.
